SCHOOL NOTES

The Community Teachers Association held a very important meeting Tuesday evening at the High school building. Mr. F. E. Engleman acted as chairman of the meeting on account of the absence of Mr. Guy H. Capps. The purpose of this meeting was to adopt some very important resolutions.

The Hi-Y Club held a very important meeting today in which Mr. Charles Mansfield made a talk on the "Opportunities in Monett." This talk was appreciated by all the members and the boys will be glad to have Mr. Mansfield to visit their club again.

Mr. Guy H. Capps and Mr. Walter Swartzel attended a meeting of the State Superintendents and School board members. Both men made very interesting talks to the Association.

Assembly was held Monday morning Pupils from Miss Ruby Lane's room at the Forest Park school furnished a very enjoyable part of the program which was a reading by Maurine Ellison; vocal duet by Margaret Willis and Harold Cochran. Mr. F. A. Stockton led the singing of the school. W. O. Anderson, pastor of the First Baptist church at Tulsa, Okla., gave a very interesting talk on "Do it Now"

The work on track begins today, with a large number of boys as candidates. The track field will be located on the north campus of the school which is only a hard dirt track at present, but a cinder track will be put in later in the season.

Mrs. Taylor is teaching for Mrs. Galloway, who is kept from her duties as principal of the Plymouth school on account of sickness.

All of the seniors who are taking Teachers' Training work, are teaching in some of the rural schools this week. The plan for this is to study the methods and working of the schools and the rural school problems. They not only observe this work, but do a certain amount of the teaching. Miss Georgia Mooney and Miss Isabel Miller are at the Mendon school, where Miss Minnie Means is teacher; Miss Alma Polson is at the Bonnie View school, where Mrs. Roy E. Brown is teacher. Miss Bernice Wallen and Miss Hazel Pitts are at Talbert school where Esther Arnaud teaches. Later in the week Mrs. Meador will visit each of the schools to inspect the work that her class is doing.

We had quite a rain and storm Monday.

HERE AT MOME

Monett Citizens Gladly Testify and Confidently Recommend Doan's Kidney Pills.

It is testimony like the following that has placed Doan's Kidney Pills so far above competitors. When people right here at home raise their voice in praise there is no room left for doubt. Read the public statement of a Monett citizen:

E. M. Whitney, prop. restaurant, 601 Third St., Monett, says: "Doan's Kidney Pills have been a fine remedy for me and have always given the best of results when I have been troubled with kidney weakness. I have had attacks when my back would get so sore and lame I could scarcely move because sharp cutting pains struck through me. Whenever I notice this trouble coming on I always get Doan's Kidney Pills from McKee's Dry Store and they soon put a stop to the trouble. A box or so always relieves the backache and strengthens my kidneys."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Whitney had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

MONETT RAISES QUOTA

FOR PLAYGROUNDS

The President of the Commercial Club Guaranteed Payment and Business Men Raised Funds.

Monett will meet her quota of \$500 for the Ozark Playgrounds Association. H. T. Osborn, president of the Commercial Club, guaranteed the payment of the amount and without active soliciting \$400 was raised by a few of the public spirited citizens. The amount will be made up today and tomorrow.

The Ozark Playgrounds Association is an organized, co-operative effort on the part of about seventy-five towns and resorts in Northern Arkansas and Southern Missouri to advertise this region as a pleasure, rest and recreation center and playground for tourists and visitors with the hope and belief that these people coming into this area will be so impressed with the desirability, opportunities and possibilities of this country for agricultural, horticultural, industrial, live stock and other purposes, as well as the beauty, attractiveness and desirability of the Ozarks as a place in which to live, that the movement will result in the continued improvement and upbuilding of this country.

A bureau of information and clearing house for the Association will be established at Joplin for the use and benefit of the Association and tourists and visitors. There is only one salaried office, Joe Manlove, who will receive \$4200 a year. He will employ one stenographer, who will receive a salary.

All the other boosters of this movement are paying their own expenses and working for the benefit of this region without remuneration.

It is expected that this movement will attract to the Ozarks men of money and influence, who will see the natural advantages of the region and invest capital for its development.

Although Monett has no beauty spots, it is on the line of travel to the different resorts. We already have many tourist visitors every year and there will be a great many more when the Playgrounds advertising reaches the people of the north, east and west, where there is only prairie country and where they have no beautiful streams, lovely woodlands and springs such as we have here.

An attractive book, advertising the region is to be sent out and Monett citizens could not afford to allow it to go to the publisher without containing mention of the most important town between Springfield and Joplin.

FOR SALE:—A few fine thoroughbred Rhode Island Red cockerels left. Prices reasonable if taken at once. Also eggs for hatching, 75 cents per setting. Mrs. Albert Gaetz, Phone 908-92. w284.

MRS. W. M. LEE DIES

MONDAY NIGHT

Mrs. W. M. Lee, of Verona, died at the home of her daughter, Mrs. Mont Carmack, corner Fifth and Sycamore, at 10:30 o'clock, Monday evening, March 15. Her death was caused by rheumatism and heart trouble, from which she had suffered for some time. She had come here to take treatments for her affliction.

Funeral services were held at the Presbyterian church at Verona at 2 o'clock, Wednesday afternoon, March 17. Rev. Pinkston preached the funeral sermon. The funeral party left Monett at one o'clock going overland to Verona.

Sarah C. Eliza Allen, daughter of Mr. and Mrs. S. R. Allen, was born November 21, 1861 in Lawrence county Missouri, four miles from Mt. Vernon, near Hoburg. She was married to W. M. Lee, January 24, 1884. They were the parents of three children, Mrs. Mont Carmack, of Monett; Mrs. Joe Lewis, of Muskogee, Okla., and Homer F. Lee, of Monett.

After their marriage Mr. and Mrs. Lee lived on a farm north of Verona until about five years ago, when they moved into Verona. Mrs. Lee was an excellent woman and highly regarded by all who knew her.

TOWN PLANNING

Many communities are taking up the Town Planning idea. Take the state of Wisconsin as an illustration. Within a short time the following places have made arrangement for laying out city planning projects: Beloit, Janesville, La Crosse, Kenosha, Eau Claire, Green Bay, Marion, Oshkosh, Racine, Sheboygan, Waukesha and Wausau.

Chambers of Commerce and Boards of Trade all over the country are pushing the Town Planning idea. No city is too big and no village too small to need this movement. It is a very costly matter to remedy mistakes after town growth has proceeded for a period of years. It is easy and inexpensive to lay out the lines of desirable growth for future years.

Town Planning saves money by reserving lots that will be needed for schools, playgrounds and parks. It keeps residence and business localities separate, and thus works against the growth of ugly neighborhoods.—Springfield Republican.

50 Years Ago

a young man who practiced medicine in Pennsylvania became famous and was called in consultation in many towns and cities because of his success in the treatment of disease. He finally made up his mind to place some of his treatments before the entire United States and, moving to Buffalo, he put up what he called his Favorite Prescription, and placed it with the druggists in every state in the Union.

That was fifty years ago this winter. For fifty years this Favorite Prescription of Dr. Pierce has sold more largely throughout the

United States than any other medicine of like character. It's the testimony of thousands of women that it has benefited or entirely eradicated such distressing ailments as women are prone to.

For over fifty years some of Dr. Pierce's home medicines have been selling over the drug counters, so that more than forty-eight million bottles have been sold during that time. This speaks well for the reliability and value of Dr. Pierce's standard home remedies. Dr. Pierce's Golden Medical Discovery is a blood tonic and strength-builder which contains no alcohol, yet has tonic qualities that have endeared it to the American public. Dr. Pierce's Pleasant Pellets, composed of May-apple, aloes and jalap, have long been considered the best vegetable laxative, in the same way that Dr. Pierce's Favorite Prescription has long been known as the best tonic for diseases peculiar to womankind. More recently that wonderful discovery of Dr. Pierce's—namely, Anuric (anti-uric-acid), has been successfully used by many thousands of people who write Dr. Pierce in unqualified terms of the benefits received—that their backache and other symptoms of kidney trouble have been completely conquered by the use of Anuric.
